Cotton fabric, 2 pieces cut 9” x 7”
Two pieces of elastic cut 6” long
Thread, pins, sewing machine, iron

1. Right sides together, pin all around as shown
   Pin elastic into corners
2. Stitch all the way around leaving 3 to 4” open on a long side to turn inside out
   Clip corners but not your stitching
3. Turn inside out, press
   Make 3 pin tucks going in same direction either side
   Stitch all the way around the mask

Clip just the tips off corners

With a 3-4 stitch you can go over pins

Topstitch all around
